

Commitment – Tolotrack access control system

With this commitment, I agree to the following conditions when using the Tolotrack system:

- Only the person, who has registered to the system, has the right to independently access the airport area through the Tolotrack system's controlled access way. Should I be accompanied by others, such as aircraft passengers, I shall be responsible for ensuring that all of them remain in my immediate vicinity in the airport area. N.B.! The Finnish Aviation Act (864/2014) says that unauthorised access to airport areas without valid rights is illegal.
- As an authority, I use the Tolotrack door only on duty
- I shall make sure that Tolotrack's access control door shuts properly after me, and I shall not let any outsiders pass through.
- I shall immediately notify the system administrator if I suspect that my access right subscription may potentially be used by outsiders, or if I am forced to change my phone number due to other reasons.
- Should I fail to abide by this commitment, Finavia is entitled to cancel my access rights.
